

Dear Soleful Seamster/Seamstress,

The mission of My New Red Shoes is to empower homeless youth to succeed in school by providing them with brand new clothing so that they may greet the school year with pride and by educating and rallying the youth community around the needs of homeless children.

Because of your help these children will receive their gift bags in colorful cotton bags. The time, love, and effort you put into these bags will surely make the children feel special. Thank you!

Instructions: Cut the labels apart with sharp scissors. An XACTO knife and straight edge works great. Heat your iron at the wool-cotton setting. DO NOT USE STEAM! Place the label, glue side down, on the article. Iron the label firmly for 8 seconds. Thick materials need more time. The label needs to cool before moving. If the label does not stick well, increase heat and iron it again.
